

Did you know? RSA can help if:

Please
bug us!

- Your library is thinking of going fine free or has gone fine free.
- You have report, statistical, or BLUEcloud Analytics questions and needs.
- Staff needs training for using WorkFlows.
- You need to update your library information on RSACat.
- Circulation/hold rules need to change.
- You were sent the wrong format of item to fill a patron hold.
- There is something wrong in a WorkFlows record and it needs RSA's attention.
- You have new or departing staff.
- Something isn't working in WorkFlows or RSACat like it should or how you expect it should.
- You want to circulate a new type of material.
And even more!
