**Summary:** Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. Nothing is the way Katniss wishes it to be. Her longtime friend, Gale holds her at an icy distance, and Peeta has turned his back on her completely. The Capitol is angry. The Capitol wants revenge. As time draws near for Katniss and Peeta to visit the districts on the Capitol's cruel Victory Tour, the stakes are higher than ever. If they can't prove, without a doubt, that they are lost in their love for each other, the consequences will be horrifying. -- From book jacket.
